## Digital Switches

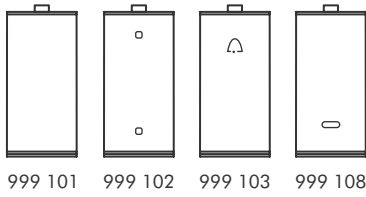

“Xpress is a digital way to operate your switches. Let's go digital, let's go modern, let's go to the next level, the Xpress way.”

“The Xpress fan regulator is the modern way to regulate the speed of your fans. It comes with added feature of long-press to jump from minimum or maximum speed. Let's control the fan speed the Xpress way.”

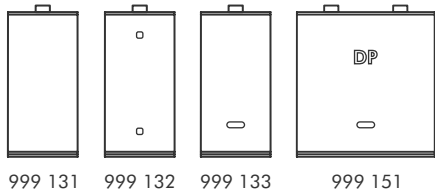

## Digital Fan Regulator

<b>Zen DB - Plastic Front with Metal Base DB</b>			
24 Way DB - Opaque	24	972 221	1/5
24 Way DB - Transparent	24	972 222	1/5

(Equivalent to 6 way TPN DB)

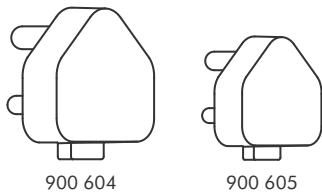

Each Distribution box comes with double action shutter, Jump link, Name plate & Installation screw set.

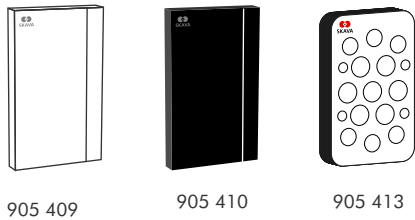

Product Name	Cat No.	Std. Pkg.
<b>Concealed Metal Gang Boxes</b>		
1 & 2 Module Metal Gang Box	999 801	10/120
3 Module Metal Gang Box	999 802	10/120
4 Module Metal Gang Box	999 803	10/120
6 Module Metal Gang Box	999 804	5/80
8 Module Metal Gang Box (H)	999 805	5/60
8 Module Metal Gang Box (V)	999 806	5/60
12 Module Metal Gang Box	999 807	5/45
16 Module Metal Gang Box	999 808	5/45
18 Module Metal Gang Box	999 809	5/40

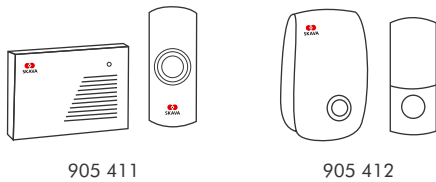

<b>Lamp Holders / Ceiling Rose - Glossy White</b>		
Ova Angle Holder (Virgin PC body)	900 601	20/400
Ova Batten Holder (Virgin PC body)	900 602	20/400
Ova Ceiling Rose (Virgin PC body)	900 603	20/300

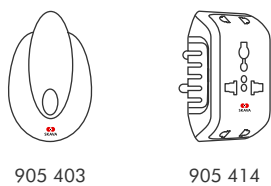

<b>6A / 16A Plano Plugs</b>		
Plano 16A 3 Pin Top (Virgin PC body)	900 604	10/150
Plano 6A 3 Pin Top (Virgin PC body)	900 605	20/300

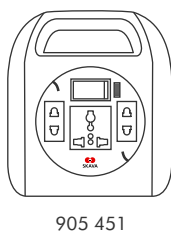

<b>Electronic Zen Bells / Mechanical Ding Dong Bell</b>		
Zen Musical Bells - White <i>32 Selectable Tones &amp; Volume Control Function</i>	905 409	5/50
Zen Musical Bells - Black <i>32 Selectable Tones &amp; Volume Control Function</i>	905 410	5/50
Classic Ding Dong Bell	905 413	10/120

<b>I-mac / Kaya Wireless Bells</b>		
I-mac Wireless Bell <i>2 Selectable Tones</i>	905 411	5/50
Kaya Wireless Bell <i>Plug in Type 32 Selectable Tones</i>	905 412	5/50

<b>Blossom LED Lamp / Uni. Multi Plug Adaptor</b>		
2 Pin Blossom LED Lamp	905 403	10/100
3 Pin Multi Plug Adaptor	905 414	10/100

<b>Extension Cord</b>		
Jbox 2 Pin Extension Cord 4 Mtr.	905 451	5/60
Jbox 2 Pin Extension Cord 8 Mtr.	905 452	5/60
Jbox 3 Pin Extension Cord 4 Mtr.	905 453	5/60

We at Skava believe there has to be innovation in every step we take in to the Future. Innovation has driven us for more than a decade & we have been always taking that extra care to improve our products. We take responsibility to give our customers a true experience every time they pick us among all the brands. In fact the competition awaits every new launch from SKAVA as we are deeply obsessed & are driven by this principle of Steve Jobs,

“Innovation distinguishes between the Leader & the follower”.
